The *Australasian Journal of Regional Studies* is a refereed journal published three times yearly by the Australia and New Zealand Regional Science Association International Inc. (ANZRSAI), which is a non-profit organisation dedicated to the promotion of efficient and effective regional development policies through research, education and the discussion of ideas. Its interests cover a wide range of Australian and international regional issues with a major focus on the Asia-Pacific region. Its goal is to provide a platform for a multidisciplinary approach to regional analysis. Submissions which fall within this general framework of regional analysis, policy, practice and development are welcome. The journal includes research notes and reviews of books.

Manuscripts for future issues should be sent electronically to Dr Sonya Glavac (sglavac@une.edu.au) and Prof. Tony Sorensen (Tony.Sorensen@une.edu.au). Details concerning the preparation and submission of manuscripts can be found on the Association's website at www.anzrsai.org. Enquiries about ANZRSAI can be sent to our email address at anzrsai@anzrsai.org.
