

AUSTRALASIAN JOURNAL OF REGIONAL STUDIES

Notes for Contributors

The Australasian Journal of Regional Studies is a refereed journal published by the Australia and New Zealand Regional Science Association International (ANZRSIA) Inc., which is a non-profit organisation dedicated to the promotion of efficient and effective regional development policies through research education and the discussion of ideas. Its interests cover a wide range of Australasian and international issues including economics, regional and urban planning, geographical sciences, modelling, demography, transportation, market organisation, resource management, environment, education and tourism. Submissions which fall within this scope are welcome.

Manuscripts should be sent to Professor Christine Smith, Department of Accounting Finance and Economics, Griffith University, Nathan Campus, Brisbane, Queensland 4111, Australia.

Four (4) copies are required. The manuscript should be typed single sided, double spaced and with ample margins. The paper should be ordered as follows:

- (1) Cover page with the title of the paper, authors' names and addresses.
- (2) The text should start on page two with the title and abstract of 100-150 words. The abstract must stand alone and not contain undefined abbreviations or references. Authors' names should not appear (the refereeing process is double-blind). Footnotes should be avoided if possible.
- (3) Tables and figures must be typed on separate sheets and not included as part of the main text. All tables and figures should be mentioned in the text and numbered by Arabic numerals. Captions and legends should be grouped together. Figures and line drawings should be of a quality suitable for printing and will not normally be redrawn by the publisher.
- (4) References should be indicated in the typescript by the author's name with year of publication in parentheses. Multiple publications by the same author in the same year should be appended by (a), (b), etc. Titles of journals should not be abbreviated. The references should be listed in full (including all authors) in alphabetical order at the end of the manuscript using the following formats:

Evans, A.W. (1990) The assumption of equilibrium in the analysis of migration and interregional differences: a review of some recent research. *Journal of Regional Science*, 30(4), pp. 515-532.

Jensen, R.C., Mandeville, T.D. and Karunaratne, N.D. (1979) *Regional Economic Planning*. Croom Helm: London.

Putman, S.H. (1990) Equilibrium solutions and dynamics of integrated urban models. In L. Anselin and M. Madden (eds), *New Directions in Regional Analysis*. Belhaven: London.

If the paper is accepted for publication, the authors will be required to submit a revised version on IMB compatible disk in **Microsoft Word** format

Proofs will be sent to authors (if there is sufficient time to do so). They should be corrected and returned to the publisher as soon as possible (within three days).
